

Introduction

Lizbeth's Garden is was founded in October 2009 by Elizabeth C. in Idaho Falls, Idaho, as a blog and a business. The blog is a place for Elizabeth to write about her crafts, poetry, and justice with book reviews and social commentary included. The store on Etsy is a venue for Elizabeth's handmade, beaded tassels.

Elizabeth started Lizbeth's Garden to offer high-quality beaded tassels for home decor at affordable prices. She has expanded into beaded tassels for all the customer's needs, including purse tassels, zipper pulls, keychains, earrings, and more.

Lizbeth's Garden on Etsy is still the main store, selling beaded tassels and dried flowers, including potpourri and pressed pansies. Elizabeth now also runs Lizbeth's Weddings on Wedding Bliss Lane, selling beaded tassels for brides and weddings, and Lizbeth's Art on Zibbet, selling paper goods, bookmarks, sculptures and collages.

Elizabeth makes all her products herself, using only the highest quality materials. She incorporates vintage beads into many of her tassels, making them one of a kind pieces. Elizabeth's tassels are the only ones available using vintage beads over thread.
